### **About AMG**

AMG is a leading partner to independent active investment management firms globally. AMG's strategy is to generate long-term value by investing in a diverse array of high-quality partner-owned investment firms through a proven partnership approach, and allocating resources across the Company's unique opportunity set to the areas of highest growth and return. AMG's innovative partnership approach enables each Affiliate's management team to own significant equity in their firm while maintaining operational and investment autonomy. In addition, AMG offers its Affiliates growth capital, global distribution, and other strategic value-added capabilities, which enhance the long-term growth of these independent businesses and enable them to align equity incentives across generations of principals to build enduring franchises. As of September 30, 2022, AMG's aggregate assets under management were approximately \$645 billion across a broad range of return-oriented strategies.
